Assistive Technology Workshop

for students with dyslexia

YES! (Youth Examples of Self-Advocacy) invites you and your family to join our Assistive Technology workshop. Technology is helping to level the playing field for students with dyslexia. Your family can learn and be part of the discussion on how to use technology to the advantage of our students and teach your child to advocate for their needs in the classroom.

DATE: Saturday, February 3rd

TIME: 9:00 AM

LOCATION: Children's Hospital of Colorado
Mt. Yale Room
13123 E 16th Ave.,
